

RESOLUTION 05-2007

A RESOLUTION OF THE TOWN OF GRANT-VALKARIA BREVARD COUNTY, FLORIDA, EXPRESSING ITS INTENT TO RECOGNIZE AND EVALUATE FLOOD OR FLOOD EROSION IN ALL OFFICIAL ACTIONS RELATING TO LAND USE IN AREAS THAT HAVE SUCH HAZARDS; PROVIDING AN EFFECTIVE DATE.

WHEREAS, certain areas of Grant-Valkaria may be subject to periodic flooding, or flood-related erosion, causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of the Town Council to require the recognition and evaluation of flood, or flood-related erosion hazards in all official actions relating to the land use in areas having these hazards; and

WHEREAS, the Town Council has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to its Home Rule Powers, the Town Charter and Florida Law.

NOW, THEREFORE, BE IT RESOLVED, by the Town Council of the Town of Grant-Valkaria as follows:

Section 1. The Town Council assures the Federal Insurance Administrator that it will enact as necessary, and maintain in force in those areas having flood, or flood-related erosion hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Part 60 of the National Flood Insurance Program Regulations (CFR44); and

Vests in the Town Administrator the responsibility, authority and means to:

(a) Assist the Administrator, at his request, in his delineation of the limits of the area having special flood, or flood-related erosion hazards.

(b) Provide such information as the Administrator may request concerning present uses and occupancy of the flood plain, or flood-related erosion areas.

(c) Cooperate with Federal, State, and local agencies and private firms which undertake to study, survey, map, and identify flood plain, or flood-related erosion areas, and cooperate with neighboring communities with respect to management of adjoining flood plain, and/or flood-related erosion areas in order to prevent aggravation of existing hazards.

(d) Upon occurrence, notify the Administrator in writing whenever the boundaries of the Community have been modified by annexation or the community has otherwise assumed or no longer has authority to adopt and enforce floodplain management regulations for a particular area. In order that all Flood hazard Boundary Maps and Flood Insurance Rate Maps accurately represent the Community's boundaries, include within such notification a copy of a map of the community suitable for reproduction,

clearly delineating the new corporate limits or new area for which the community has assumed or relinquished flood plain management regulatory authority.

Appoints the Town Clerk to maintain for public inspection and to furnish upon request for the determination of applicable flood insurance risk premium rates within all areas having special flood hazards identified on a Flood Hazard Boundary Map or Flood Insurance Rate Map, any certificates of flood-proofing, and information on the elevation (in relation to mean sea level) of the level of the lowest flood (including basement) of all new or substantially improved structures, and include whether or not such structures include a basement, and if the structure has been floodproofed; and

The Town Council agrees to take such other official action as may be reasonably necessary to carry out the objectives of the program.

Section 2. This Resolution shall take effect immediately upon its adoption.

PASSED AND ADOPTED BY THE TOWN COUNCIL OF THE TOWN OF GRANT-VALKARIA, BREVARD COUNTY, FLORIDA, ON THIS 23rd DAY OF May, 2007.

TOWN OF GRANT-VALKARIA
BREVARD COUNTY, FLORIDA
